## Useful Tips

To help the scheme run smoothly please be aware of the following:

- The minimum order quantity for heating oil is 500lts.
- Check the amount in your tank regularly.
- Please ensure any delivery instructions are given at the time of ordering, for example if your tank is locked or you need a text or email the day before delivery.
- Ensure that all necessary vehicular access is clear to your premises.
- Regularly check the condition of your oil tank. All our suppliers reserve the right to refuse delivery to tanks that are damaged or have not been adequately maintained. Failed deliveries may incur a charge of up to £50.
- Notify us of any changes in address or contact details.
