Public Participation

The Street – parking Issues

Mrs Amelia Florance explained the issues arising as a result of inconsiderate motorists parking in front of her driveway which is also a public footpath and access road for Anglian Water.

Mrs Amelia Florance had written to state that the problem is with the school run and very inconsiderate parents who have blocked her driveway and outside their front door making life extremely difficult for them and their neighbours, plus the people almost opposite them. Mrs Florance has constantly put notes on parent's cars which have been blatantly ignored and she is close to despair! She had also had two near misses due to the obstruction caused as she is forced to drive out blind. Mrs Florance has contacted the police and reported that they agree that a yellow line should be put in along the driveway which is also public right of way. Anglia Water also uses the right of way on occasions and she feels that there is no way they would be able to gain access with the ridiculous parking that has taken place. Mrs Florance feels that the parking has been worse since the new term. She has also spoken to the Head Mistress who will be writing to all parents, however, Mrs Florance requests that the Parish Council help her to obtain yellow lines in that area.

Mrs Florance asked if anything could be done about speeding. Mr Moulton and the clerk described the operation of the new electronic speed signs. The clerk to request that Mr Cunningham, who co-ordinates the sign be requested to site it in The Street.

Mrs Ashford proposed, Mr Turner seconded and it was unanimously agreed that the clerk write to Highways to request that double yellow lines be painted across the footpath entrance and opposite across the Pit entrance.

Application 2013/1630 - Spring Wood Hempnall ACTION

The clerk had written to SNC re the enforcement order. The clerk had also chased up and not had a response to either communication.

Mr Hook proposed, Mr Delf seconded and it was unanimously agreed that the clerk writes again to ask why we have not had a reply and why no enforcement action taken. Copy to be sent to District and County Councillor and Richard Bacon. IN

Gypsies and Travellers Local Plan (GTLP) Issues and Options Consultation

The clerk had circulated the paper to councillors prior to the meeting. Mr Hook proposed, Mr Delf seconded and it was unanimously agreed that our response should be brief and should state that all sections of society should be subject to the same planning rules. IN

Repair to playing field main unit

The clerk had contacted the insurance company for advice and had been advised to fence off the dangerous areas and erect keep off signs. This he had done.

The clerk had chased the suppliers to find the price of replacement steps which was quoted at circa £1500. It was agreed these could be replaced for much less.

Mr Delf proposed, Mrs Ashford seconded and it was unanimously agreed that the main unit steps be replaced and the unit painted. A budget of £750 was allocated. In addition the small slide unit is to be removed on safety grounds and the tyre swings to be repaired. The clerk was authorised to pay the costs for the latter matters if they fell within his standing order authority limit. Mr Delf to co-ordinate all of the above. IN
