***Invitation to All
Wind Turbines Planning Application Exhibition***

The Parish Council is pleased to invite you to attend an exhibition of the planning application submitted by Enertrag (UK) Ltd together with other relevant material generated by the parish council. Come and let the council know your views whether they be for or against the proposed development.

Hempnall Village Hall – Nelson Suite from 7pm to 10pm Wednesday 16th April 2008

Proposed Land Fill site and Mineral Extraction at Morningthorpe

Norfolk County Council has put forward the possibility of further development on the B1527 at to Morningthorpe as a potential site for the following:

1. the conversion of the existing temporary recycling centre to be a permanent fixture;
2. further landfill were gravel has been extracted next to the existing landfill site;
3. the creation of an additional gravel extraction pit between the existing site and up to the A140 with a view to providing an estimated 425,000 tonnes of aggregate.

Hempnall parish council have requested that items 2 & 3 above are not permitted so as to : protect the river valley landscape; prevent further industrial development of the B1527 corridor to avoid the possible linking of the village with Long Stratton following any substantial housing development under the Greater Norwich Area Development Strategy; keep traffic volumes at a safe level.

Members of the public and press are welcome to attend Parish Council meetings which are held in The Nelson Suit of Hempnall Village Hall at 7.30pm on the following dates: 21/05/08; 16/07/08; 17/09/08; 19/11/08

Copies of the full minutes of meetings can be found in Hempnall Stores and on our website
