

*Newsletter – Summer 2008 (or should we say
“poosletter”)*

More scope for your poop!

We are pleased to announce the installation of another dog bin, this one situated just off The Street on the footpath between The Street and Mill Rd. This area is widely used by dog owners, who unfortunately have not been scoping their dog’s poop and taking it home with them. Now there is no excuse not to clear up as the dog bin is situated only yards from the main area where owners have allowed dogs to relieve themselves. Please help return this area to a pleasant place to walk for everybody.

No scope costs £1,000

As a result of a high number of complaints from residents, South Norfolk Council and Hempnall Parish Council intend to exercise the powers afforded by the Clean Neighbourhoods & Environment Act 2005 which provides for fines up to £1,000 to be levied on owners who do not clear up after their dog. Residents are encouraged to report anybody who they witness not clearing up after their dog. Report this to the Dog Warden at SNC (01508 533633) giving details of the individual, their dog, the date, time and place of the event. This will help build up a history of offences. Action will be taken against persistent offenders.

Scoped poop in Red, Litter in Green

It is becoming increasingly common to find dog poo and soiled nappies placed in the green litter bins on the village hall car park and at the village sign. This behaviour is particularly difficult to understand as in both locations there are red dog bins as well as green litter bins. Thank you for putting it in the bin but please use the appropriate one. For those of you that are colour blind, the dog bins are the smaller ones with lids!

Members of the public and press are welcome to attend Parish Council meetings which are held in The Nelson Suit of Hempnall Village Hall at 7.30pm on the following dates: 6/7/09/08; 19/11/08

Copies of the full minutes of meetings can be found in Hempnall Stores and on our website
