***Wind Turbines Planning Inquiry- Your attendance is important***

The planning inquiry to decide whether the 7 wind turbines will be built at Hempnall will take place for 8 days commencing Tuesday 22<sup>nd</sup> September 2009 at South Norfolk House, Swan Lane, Long Stratton.

Members of the public are welcome to attend on any day, in fact the parish council would encourage you to do so as a high level of public interest will influence the inspector.

***HPC Website update***

As many of you will be aware, the parish council has been “*virtually*” available via its website for a number of years now. We are about to freshen up the site and take this opportunity to remind you to inform the clerk of any changes to details that you have requested are published on the website. Please also contact the clerk with any suggestions for improvement or with information that you would like to see added.

***Back Lane adoption – 12 volunteers***

Back Lane (the “footpath” between the site of the old recycling centre on Alburgh Rd and Hempnall playing field) is well used by parishioners for social walking, cycling, horse riding and ease of access to Hempnall Greens and Talbot Sports Park.

The parish council would like to have this Lane formally recognised as a public right of way. In order to achieve this we need 12 volunteers who use Back Lane. All that is required of the volunteer is a short statement about their use of Back Lane, we would hold a short meeting to guide people through this process so the time and effort needed by each individual is small but could result in a valuable asset (Back Lane) being retained for the benefit of the village forever. Please contact the clerk now if you are interested in helping.

*Members of the public and press are welcome to attend Parish Council meetings which are held in The Nelson Suit of Hempnall Village Hall at 7.30pm on the following dates: 04/09/09; 18/11/09*
