Trustees needed

An opportunity has arisen for two individuals to volunteer as trustees of The Hempnall Trust. (See www.hempnalltrust.org.uk). The parish council can nominate two people to serve in this way. A job description can be found on the parish council website, www.hempnallpc.org. Please contact the clerk if you would like to take up this role or would like to suggest a candidate.

Temporary Signs

It is good to see local events being advertised by the roadside from time to time, however of late these temporary signs have been left up long after the event has passed. In order to ensure that these signs are not permanently banned by Highways Dept please could you ensure that they are taken down the day after the event.

Parking

Imagine being trapped in your own drive when you wish to go out – how would you feel? Unfortunately several parishioners are suffering from this problem caused by inconsiderate drivers parking partly or wholly in front of their driveways. This is particularly the case in The Street near the shop and school. There has also been several instances of parking on yellow lines near the school and Bussey's Loke, watch out as the police are on the case. Whilst on the theme of parking, pedestrians have complained that some drivers are parking on pavements forcing the elderly and parents with prams into the road, again please park considerately.

New Dog Bin

We are pleased to announce that a new dog bin will shortly be erected near the junction of The Krons and Fairstead Lane.

Members of the public and press are welcome to attend Parish Council meetings which are held in The Mill Centre at 7.30pm See website for dates. Next meetings scheduled for 11/01/11, 08/02/11, 08/03/11
