Digital Switchover – Local help is at hand

Councillor Mike Turner has volunteered his services to the Norfolk Rural Community Council. Its objective is to make sure that no elderly people and people with special needs are left with a blank screen after the switch off of the Analogue TV Transmitters at Tacolneston due to happen in November this year. All persons over the age of 75 should have received correspondence from the help scheme offering a very reasonable price to convert any Analogue TV using the well known digibox. If you would like to take advantage of this service or know someone that might please inform Mr Turner (contact details below).

First Aid – Try it out or freshen up your skills

St John Ambulance are offering first aid courses at ½ price – only £12.50 – If you would like to book on a course or arrange for a course to be held in Hempnall (Don't worry they do all the arranging) call St John Ambulance on 01603 431639
