New use for Hempnall Methodist Church – Have your say

With very few members of the congregation remaining and the structure of the Church now requiring significant investment Irelands Chartered Surveyors have been asked to look into alternative uses for the building in order to secure its future.

The Parish Council has been contacted for its views and would like to invite any interested parties to either attend the parish council meeting on 9th October 7.30pm at the Mill Centre or email their views to the clerk on theclerk@hempnallpc.org

Jubilee Oak Tree

A huge thank you to all the team that organised the fantastic weekend of events back in June to celebrate the Queen's Golden Jubilee. Councillors particularly noticed the warmth of community feeling engendered as a result and the overall feeling of fun.

In addition it is pleasing to see that so much money was raised in support of the two very good causes to which Hempnall Parish Council also contributed.

To provide a longer lasting reminder of our Sovereign's 60 years of service an Oak tree will be planted in the Play Field area this autumn.

What has kept Ray a young man?

We would like to publically recognise Mr Ray Youngman for completing 60 years of voluntary service looking after Hempnall Playing Field. To mark this impressive dedication to caring for a wonderful community asset enjoyed by so many, the Parish Council intend to purchase a seat with a plaque. The seat will be positioned near the Jubilee Oak Tree on the Playing Field, both commemorating 60 years of service.
