Thank You Dog Owners

A big thank you to all responsible, socially minded, dog owners who clear up their pet's fouling around the village. Unfortunately there are still a significant number of owners who do not consider fellow parishioners and leave the excrement on the ground to be stood in by others.

A significant part of the above council tax is used in the provision of dog bins and the emptying and cleaning thereof. It is therefore very disappointing that there is so much dog mess left on footways in The Street, on the allotment car park and even on the children's play areas – unbelievable!

Dog wardens are on the alert but we need parishioners to report offenders to either the Clerk or South Norfolk Council so that action can be taken. Please help us keep the village clean and safe.

Cloned parish Council Website - We are flattered!

The clerk had received reports of out of date information on the parish council website which he did not believe to be the case. Upon further investigation it was identified that in 2007 a student had cloned the parish council website for their course work. (They passed the course with flying colours)
