Morningthorpe Recycling Centre - Cut in Opening Hours On Hold

We previously reported that Morningthorpe recycling centre would be one of six in South Norfolk that was due to change to part-time hours to make a cost saving for Norfolk County Council.

Norfolk County Council is now reviewing its decision, so for the time being, the opening hours are unaffected.

Footpath Maintenance

Norfolk County Council have legal responsibility for the maintenance of public footpaths, however like many government departments its funding is very limited and the level of maintenance has fallen over the last few years. Your Parish Council has continually lobbied for the footpaths in and around Hempnall to be better maintained and we are informed by NCC that Hempnall now has a large share of the resources allocated to the priority cutting schedule.

You can do your bit to help keep footpaths maintained for us all to enjoy by reporting any issues directly to NCC online. Their website address is: <https://online.norfolk.gov.uk/highways/submit.aspx?t=HIGHWAYS>

Some parishioners also take secateurs with them on their walks to attend to any minor obstructions and this is to be encouraged.
