

## PARISH COUNCIL

*Autumn Newsletter 2016*

### *Your shopping could raise funds for Hempnall Play Park Community Group*

Hempnall's Multi Use Games Area (MUGA) project has been selected for the green token fundraising scheme at the Co-op. We need as many tokens as possible during November through to January to gain the maximum share of the £1,000 prize.

So please, if you shop at the Co-op in Long Stratton or Harleston, pop your token in our box and we'll be closer to the target of getting the MUGA at the park. Thanks everyone for your support.

Get popping those tokens.

### *New telephone service*

105 is a new telephone number you can call to report or get information about power cuts.

You can also call 105 with any welfare concerns related to a power cut, or if you are worried about the safety of over or underground electricity cables or substations.

105 is free of charge and will put you through to your electricity network operator. You can call 105 from most landlines and mobile phones.

# Cutting hedges alongside pavements & footpaths

Just a friendly reminder to ensure that hedges alongside pavements are kept trimmed back so as not to encroach over the pavement or pathways causing an obstruction to others.

## Parking on the village sign area

The brick paved area around the village sign is not a car park area. It is not designed for the weight of vehicles and any vehicle parked on it diminishes the view around the junction for other road users. Please do not park there.

## Is your dog under control?

You are allowed to walk your dog as long as it is under your close control. When walking a dog, you must ensure that it keeps to the public footpath and does not trespass into nearby properties. Please observe the above as we have had complaints from other footpath users about dogs not under close control, running loose and attacking their dogs. Thank you.
