

PARISH COUNCIL

Autumn 2019 Newsletter

Expected new road safety features in Hempnall

Following lobbying and meetings between the parish council, district and county councillors and NCC Highways, we await the implementation of extra road safety measures in the village, including:

- 20mph speed limit to be introduced along sections of the B1527 and the Street.
- gateway features at the three main approaches to the village.
- a vehicle activated sign warning of a sharp bend to be erected on Mill Road before the bridge.
- a pram crossing and possibly a traffic calming measure on the B1527 opposite the proposed new estate.
- a new SAM2 speed indicator and recorder unit.
- “20mph” and “slow” road markings will be written on the road as appropriate.
- No centre line markings on the B1527 other than on the bends to encourage safer and more cautious driving.

Parking

Residents have complained of parked vehicles blocking driveway access. This is a particular problem in The Street near the shop. Please park considerately.

Troublesome Dogs

Please ensure your dogs are under your control at all times as we have received a complaint from residents about poorly supervised dogs.

Watch Out - Recent Criminal Activity

There has been a significant increase in thefts from buildings and vehicles recently by what appears to be an organised gang. In addition, illegal hare coursing has been witnessed and Beehives have been vandalised. The criminals in all cases are still at large so please be extra careful with your security measures and if you witness any suspicious activity please contact the police straightaway on 999.

Do your bit

Join the successful community Speedwatch team, sparing just an hour a month could save a life in our village – be part of it. Contact Lesley Mitchenall on lelly.mitchenall@jic.ac.uk
